The Volkswagen Jetta is a compact car that has been in production since 1979. The Jetta delivers smooth and comfortable driving, primarily through a rigid suspension system, which allows you to take full control of your vehicle. After a long term of exploitation, some parts may get worn out or even get damaged.

Just an FYI, the best VW scan tool to be had can be found here: www.ross-tech.com Late 1999 style is A4 chassis. Early 1999 is A3 chassis. By engine code, I'm not asking for the VIN code. Engine code can be found on the upper timing cover, it's a 3-character code, probably AEG or AVH. First things first, make sure you're using the correct spark ...
