A Moment to Remember: High hopes and shattered dreams in ...

A wonderful moment to remember I was a super nerdy guy in high school and had never been to a dance in whole life. A girl that I had talked to a lot and thought of as a friend (again, I was nerdy, she wasn't on my radar and I didn't even have a radar) asked me to stay after a class and I honestly had no clue as to why.

Facebook

It is a moment when one grasps a truth, or a principle as very real and undeniable. There are many words we use to refer to this experience. Some call it peak experience, or enlightenment, or "satori". It can come at any moment, although more often one has to prepare the grounds for such an experience.
