This is an excellent engineering course giving you a good blend of theory and modern techniques used in modern engineering industry.

Part Time EDEXCEL (BTEC) National Certificate in ...

(Original post by Matt_Taylor14) Hi, I do the BTEC (but the old spec). In my opinion, the BTEC isn't too hard. The maths isn't too bad and if you are doing A-Level maths at the moment you will find the BTEC maths units okay as there are no exams as it is an assignment where you have a few weeks to complete.

BTEC engineering Level 3 - The Student Room

One A-Level either in maths, physics or engineering with grade C or above, or BTEC Level 3 Diploma with MP grade or a BTEC Level 3 Extended Diploma with MPP grade in Electrical and Electronic Engineering plus the unit: Maths for Engineering Technicians at grade Merit or above or the international equivalent of the above (UK NARIC equivalent qualification).

Further education resources ... Although it has a maths focus, the benefits are relevant for all subjects. Learn more about ActiveLearn. ... Our revision guides and workbooks for BTEC, BTEC National, BTEC Tech Award and AS/A Levels will ensure your students are confident and prepared.

Further education resources | Pearson UK

For students taking the BTEC National Extended Diploma in IT, a conditional offer will normally be: DDD in the Extended Diploma and A* in A Level in Maths. Students taking BTEC National Extended Diplomas in science or engineering, or the new Tech-level/Technical Level qualifications will also be considered, but the above requirements for A-level Maths still stand.

Department of Computer Science, University of Oxford

There are no BTEC courses for English, or mathematics. Students who do not achieve the minimum Level 2 Pass grade will receive a Level 1 Pass in the given qualification equivalent to GCSE grades D-E and therefore does not count to the A*-C measurement system.
