everyday.

## **Air Compressor Manuals - How to Access Old Air Compressor ...**

The brand Compair is global, and has been in the compressed air, ancillary equipment for compressed air systems, and other industries - with a broad range of products - for 200 years. In 2008 Compair itself was assimilated. They are now part of the Gardner-Denver group, making more difficult to parse an already complex web of product information and support.

Key Difference: The term 'manual' or 'guide' both usually refer to a document whose main aim is to provide information or instructions. It is generally expected that guides are shorter, concise and more to the point than manuals. A manual is expected to give more in-depth information and instruction than a guide.
