## **Cultural Reciprocity in Special Education**

I have witnessed two parents' interactions with special education educators during my fieldwork experience. Both of these experiences could have been approached better using cultural reciprocity to ensure that the teachers understand the parents' point of view and to take it into consideration.

## **The Importance Of Cultural Reciprocity In Special Education**

Q: Can you explain what "cultural reciprocity" refers to when talking about the work of special educators? A: Cultural reciprocity is the process of becoming aware and understanding these subtle, deep-seated values in our professional beliefs and practice so that we can explain them to families from culturally and linguistically diverse backgrounds who might not share these same values. By clarifying to ourselves why we recommend a particular practice to a family, we become aware
