Defending America Military Culture And

While the U.S. military fought to defend the Constitution, the Cold War court-martial punished those who wavered from accepted political convictions, sexual behavior, and social conventions, threatening the very rights of due process and free expression the Constitution promised.

Amazon.com: Defending America: Military Culture and the ...

By seeking insight into military life and American values through the court-martial, Defending America argues for the importance of service-members' chaotic, disparate lives, and the policies and culture of the military itself, to broader narratives of twentieth-century American and Cold War history. Court-martial records prove that military policies mattered.

Defending America: Military Culture and the Cold War Court ...

It is a significant contribution to our understanding of military culture at a moment when military justice has become especially visible and debated. In Hillman's skillful hands military courts-martial become a vehicle through which to explore the changing relation of the military to a broader American culture—a culture emerging from one hot global war and facing a much longer and infinitely more complex cold war.
