The old way of life was represented by superstition, an angry God, and absolute submission to authority. The thinkers of the Age of Reason ushered in a new way of thinking. This new way championed the accomplishments of humankind. Individuals did not have to accept despair. Science and reason could bring happiness and progress.

### The Impact of Enlightenment in Europe [ushistory.org]

A brief treatment of the Enlightenment follows. For full treatment, see Europe, history of: The Enlightenment. The powers and uses of reason had first been explored by the philosophers of ancient Greece.The Romans adopted and preserved much of Greek culture, notably including the ideas of a rational natural order and natural law.Amid the turmoil of empire, however, a new concern arose for ...

### Enlightenment and Despair [ ]

Before Kant's death the spirit of the siècle des Lumières (literally, "century of the Enlightened") had been spurned by Romantic idealists. Its confidence in man's sense of what was right and good mocked by revolutionary terror and dictatorship, and its rationalism decried as being complacent or downright inhumane.

### History of Europe - The Enlightenment | Britannica

The Age of Enlightenment (also known as the Age of Reason or simply the Enlightenment) was an intellectual and philosophical movement that dominated the world of ideas in Europe during the 17th and 18th centuries.. The Enlightenment emerged out of a European intellectual and scholarly movement known as Renaissance humanism and was also preceded by the Scientific Revolution and the work of ...

### Age of Enlightenment - Wikipedia

Conjectural history is a type of historiography isolated in the 1790s by Dugald Stewart, who termed it "theoretical or conjectural history", as prevalent in the historians and early social scientists of the Scottish Enlightenment.As Stewart saw it, such history makes space for speculation about causes of events, by postulating natural causes that could have had such an effect.

### Conjectural history - Wikipedia

Sebastian Conrad holds the Chair in Modern History at Freie Universität Berlin, where he has taught since 2010.
