How To Read A Book

The last part of the book presents the fourth (and highest) level of reading — Syntopical reading — or reading two or more books on the same subject. By reading syntopically you are not concerned with understanding each book in all its details — in fact, you won't read any of the individual books analytically (not at the present ...

How to Read a Book: The Classic Guide to Intelligent ...

Syntopical Reading involves reading many books on the same subject and comparing and contrasting ideas, vocabulary, and arguments. This task is undertaken by identifying relevant passages, translating the terminology, framing and ordering the questions that need answering, defining the issues, and having a conversation with the responses.
