Painting In The Dark

Painting In The Dark flips on a switch in a dark room - but only for a moment, giving

Access Free Painting In The Dark

just a quick glimpse at what the room looks like. But then it's flicked back off, leaving it to me to navigate through the darkness with what little light I've been entrusted. It's my own walk, my own journey alongside as I've read of his struggles and successes.

In the cloudy sky
painting I made sure

Access Free Painting In The Dark

that the upper part of the painting is dark blue while the lower area is a lighter blue. This is because the upper part of the sky is darker as it is 'closer' to us while the lower part of the sky is 'further' away from us.
