The Nespresso History From A

The Nespresso story began more than 30 years ago with a simple idea: enable anyone to create the perfect cup of espresso coffee – just like a skilled barista. From its beginning in 1986, Nespresso has redefined and revolutionised the way millions of people enjoy their espresso coffee and shaped the global coffee culture.

OUR STORY | Nestlé Nespresso

Nestlé Nespresso S.A., trading as Nespresso, is an operating unit of the Nestlé Group, based in Lausanne, Switzerland. Nespresso machines brew espresso and coffee from coffee capsules, or pods in machines for home or professional use, a type of pre-apportioned single-use container of ground coffee beans, sometimes with added flavorings. Once inserted into a machine, the capsules are pierced and processed, water is then forced against a heating element at high pressure meaning that only the ...
