The Flex Method - In Pursuit of the Perfect Investment

Personally, I find it so much more than a straight-up indie album. Classy songwriting, great production, soulful, bluesy, excellent integration of synthesised sounds with the traditional rock set-up and well-conceived conceptually as an album. Both a great AND a perfect album. But there we are back to the subjectivity argument.

Not One Wasted Second; The Pursuit of the Perfect Album ...

Perfect albums must also imply that they're great albums, there's an overlap by implication I'd argue. But there'll be albums which are just merely good, but meet the criteria of being thematically consistent, flow well, and are a good listen with no obvious skipping required.
