One word play activity that I will take credit in developing is called Word Ladders. It is an activity in which students start with one word and are guided by their teacher to add, subtract, or change letters in the first word to make a series of new words.

Word Play Is a Word Plus!

Tim Rasinski is a renowned professor of literacy education whose research on reading fluency and word study has made him a literacy hero to many. Below, he shares his thoughts on how games can be used for word instruction. Last month I tried to make the case that word instruction – whether phonics, spelling, or vocabulary – can be made effective and engaging for all students by making it ...
